

AKASH SHARMA

DATA SCIENCE / MACHINE LEARNING INTERN

Ghazipur, Uttar Pradesh | 9219747670 | akash6392614083@gmail.com | github.com/akash6392614083-star

PROFILE

BCA student with hands-on experience building machine learning projects using Python and scikit-learn. Strong foundation in data preprocessing, exploratory data analysis, regression, classification, model evaluation, and regularization. Built and integrated ML solutions with Flask and MySQL. Seeking a Data Science / Machine Learning internship to apply practical skills to real-world problems.

TECHNICAL SKILLS

Programming: Python

Libraries: Pandas, NumPy, Matplotlib, Plotly, scikit-learn

Data: EDA, preprocessing, feature engineering, scaling

Concepts: train/test split, missing values, outliers, regularization

Machine Learning: Linear Regression, Logistic Regression, Ridge, Lasso

Web / Database: Flask, MySQL

Evaluation: MAE, MSE, RMSE, R^2

Tools: Git, GitHub

PROJECTS

House Price Prediction — Machine Learning

- Built a Linear Regression model to predict house prices from property and location-related features.
- Performed data preprocessing, missing-value handling, exploratory data analysis, and outlier analysis.
- Evaluated the model using MAE, MSE, RMSE, and R^2 ; achieved an R^2 score of approximately 0.94.
- Developed a Flask-based web interface for users to enter house details and receive price predictions.

Technologies: Python, Pandas, NumPy, scikit-learn, Flask, HTML/CSS

Smart Recruitment System — ML / Web Application

- Developed an AI-assisted recruitment system to support candidate shortlisting.
- Built a Logistic Regression shortlisting model using CGPA, aptitude score, communication score, skills, internships, and projects.
- Designed the MySQL database schema and worked on the ML component of the application.
- Integrated the machine-learning shortlisting workflow with a Flask web application and MySQL database.

Technologies: Python, scikit-learn, Logistic Regression, Flask, MySQL, HTML/CSS

EDUCATION

Bachelor of Computer Applications (BCA) | 2023–2026

SVN Institute of Higher Studies, Barabanki/Lucknow | Result: 74% | Degree/Certificate pending

Class XII: 65% | **Class X:** 64%

ADDITIONAL

Fresher | Targeting Data Science / Machine Learning Internships
